... some details...

Our Saturday Community gathers weekly together to share a meal & life. Sign up sheets help us to plan for a great meal every week, but we are less about the food and more about the company. So, sign up for something, or just bring what you can, and if you can't bring anything, come anyways!

*On **Pizza Night**, bring a pizza from your fav pizza place or the grocery store!

*On **Snacks & Sweets Night**, bring your fav finger food or a dessert!

If you missed signing up for something & would like to know what's still needed for a Saturday Dinner, please contact
